

**PARENTAL INVITE
TO
NSPCC WORKSHOP
'SPEAK OUT, STAY SAFE PROGRAMME'**

Dear Parent / Guardian

As you are aware, the NSPCC are visiting school next week on Wednesday 28th June to deliver assemblies and workshops to the pupils covering many aspects of staying safe in school, at home and online.

As part of their programme, we would like to invite you to joint a parent workshop delivered by one of the NSPCC team.

The workshop will run between 9:00am and 10:00am in school and is an opportunity to seek advice or ask questions.

To gauge numbers please would you be kind enough to let reception know if you would like to accept the invitation.

Thank you.
