

Orchards Junior School
Year 3
Ancient Greeks

Dear Parents

As part of our new history topic, which focuses on the Ancient Greeks, we will be holding 'Ancient Greek' historical days on Thursday 1st and Friday 2nd February 2018.

These days will enable the children to experience various activities giving them a greater understanding of what life was like in Ancient Greece, including some food tasting.

We have a theatre company coming in on the Friday.

It would be fantastic if your child could dress up on Friday 2nd for the theatre visit when the children will be involved in various drama activities. The children have the option of dressing as a Spartan soldier, or as an Ancient Greek citizen, or a mythical beast.

There is no charge for this.

We are also aware of allergies and would appreciate children to be aware of the food we are tasting. We will do our utmost to minimise risk of nuts but we cannot guarantee food will not contain traces. Please let the class teacher know if you have any concerns or queries.

We are very much looking forward to these days and know the children will gain a huge amount from the activities being prepared.

If you have any questions please do not hesitate to contact school.

Kind regards — The Year 3 Class Teachers
