

Orchards Junior School

Year 4

Spanish Activity Days

10th - 12th May

Dear Parents

We will be having three 'Spanish' themed activity days while some of our year group are away on the Year 4 residential trip. The children will be researching about the country, learning about the key Spanish Festivals, cooking two traditional dishes, producing a Spanish themed artistic masterpiece and making traditional decorations.

As a finale to this, we will be having a 'Fiesta' on Friday 12th May in the afternoon. To add to the fun, we are inviting the children to come dressed in Spanish themed costume, or simply to wear something red or yellow.

We would also like the children to bring in a little bit of party food to share at our fiesta. If this could be Spanish themed, that would be fantastic, but it is not necessary.

We hope the children will have lots of fun and learn more about the country where the language, which they are learning this year, has come from.

Yours sincerely
The Year 4 team
