

Orchards Junior School

YEAR 5

**HERSTMONCEUX SCIENCE
CENTRE TRIP**

THURSDAY 9TH MAY

Dear Parent/ Carer,

We are really pleased to offer our Year 5 pupils a trip to the Herstonceux Science Centre in May. This is to support our Science curriculum and will include the opportunity to take part in various and exciting activities.

These include a guided telescope tour, a spectacular Science show and the chance to experiment with interactive, hands-on equipment. There is also the Discovery Park and Water Planet.

We will be leaving school by coach at 9am and will aim to be back at school by 3.30pm

The children should wear school uniform and bring a lightweight jacket. Children will need a packed lunch with plenty to drink (no fizzy drinks please) and if they wish to buy any souvenirs' we suggest a maximum of £5 spending money. **(IF your child is entitled to a FREE SCHOOL MEAL a packed lunch will be provided)**

We are asking a contribution of £12 per child to cover the cost of transport and the entrance fee. Without your contribution it may be necessary to cancel the visit, however, we understand that some families may need to pay in instalments to help spread the cost, if so, please contact Dr Jones in confidence.

Orchards Junior School
