Mr Burnham says ...

I can't believe we are in the final term already! It has been such a pleasure for myself and the Year 5 teachers to see how the children have matured and blossomed as confident, independent learners and it will be a sad goodbye as they prepare for their final year!

As always at The Orchards, the pace never slows – we still have so much to look forward to! Over 60 of us are off to Osmington Bay to try new and exciting activities, whilst Miss Southernwood has been extremely busy preparing a whole range of fun experiences for children staying at school!

Those children who have been completing their reading records will receive a prestigious invite to the Year 5 BBQ, enjoying Dr Jones' deliciously prepared burgers and hot dogs! As well as this, we will be inviting parents to come and see all of the hard work we have done this year, share our favourite memories and possibly shed some tears! Thank you for all of your support this year, the children truly have sparkled and should be proud of themselves!

Let us know what you think: Is there an aspect of our topics that your child is particularly interested in? What would they really like to find out/explore/investigate? Are they already an expert/skilled in any of these areas? Do you have a skill/expertise we could use?

Child's name:
