Miss McCue says...

Wow- I can't believe we are already in the final term of this academic year! It has been such a pleasure to see how much the children have achieved since September.

We can't wait to get on the ferry to Little Canada, and are looking forward to taking part in all the exciting activities on offer at the Isle of Wight. The Year Four team remaining in school have planned some equally exciting Spanish Days- no siestas for the children or teachers though!

Additionally, we have got another fabulous trip to look forward to- Marwell Zoo!

It has been a real pleasure working alongside such a great bunch of children and supportive families, and I would like to take the chance to thank all of the fantastic characters in the year goup for working so hard, and making school such fun. We are all looking forward to watching them sparkle next year. Have a great summer!

Let us know what you think: Is there an aspect of our topics that your child is particularly interested in? What would they really like to find out/explore/investigate? Are they already an expert/skilled in any of these areas?
