P.E. & MFL

- Outdoor Adventurous Activities / Dance / Invasion games.
- French - Colours and Numbers. Where do you live? Do you know any famous French-speaking people?

Mr Burnham says ...

A great start to 2019! It is so fantastic to see so many smiles despite the cold and dark mornings! The Spring term is one of the busiest terms this year for Year 5. There are so many exciting lessons, trips and extra-curricular activities for the staff and children to get stuck into, including a visit from genuine MODS and an extremely exciting talk from a visitor who explored the Titanic deep under the sea!

Our History focus this term is the 1950's, 1960's, 1970's, 1980's and 1990's – a true study of the decades. We have two very exciting days planned, exploring the careers of David Bowie and Blondie, which will see children dressing up and preparing for our Year 5 show, where we will be dazzling you with classic tracks from the past!

All of your help with appropriate costumes will be greatly appreciated and help make it a great night. We would also be very grateful if parents could encourage their children to read three times a week and sign their reading records. A BBQ & disco invitation awaits anyone who manages to hand in five out of six reading records throughout the year!

Let us know what you think: Is there an aspect of our topics that your child is particularly interested in? What would they really like to find out/explore/investigate? Are they already an expert/skilled in any of these areas? Do you have a skill/expertise we could use?

Child's name:

Class:

Comments:

Please complete, detach and return to the school.
