GEOGRAPHY TRIP LITTLEHAMPTON

Dear Parents / Guardians

We are planning a geography trip to Littlehampton to support the work that we are doing on 'rivers'.

This trip will take place on **Thursday 14th June 2018.**

The activities will include looking at how natural forces and human events have shaped the area and exploring how the river changes on its journey to the sea. We will also be looking at the new sea defences that have been recently completed.

We are planning to have a Fish and Chip lunch so your child will not need to bring a packed lunch - but please supply a drink of water and a snack. We will have ice-creams after lunch.

If your child has any allergies please let us know.

This really is a worthwhile trip, and as such, the school is subsidising part of the cost.

You are invited to make a voluntary contribution of £8:50 which covers coach travel and lunch. Although the contribution is voluntary, I do need to point out that it is probable that the visit could not take place unless all parents, who are able, are willing to contribute.

I appreciate that some families might find it particularly difficult to contribute all or part of the suggested sum, and if you feel that you are in such a position, please do not hesitate to contact Dr Jones in confidence to discuss whether some suitable arrangements can be made to cover the cost of your child's participation.

I also need to stress that if a family were unable to contribute, and the trip were still to proceed, no child within the year group for whom the trip is intended will be disadvantaged and be left out of the activity.

If you would like your child to have the opportunity to take part in this visit the reply slip must be returned to the school office by Monday 11th June. After this date we will be unable to allow the children to take part in the trip.

We will be travelling by coach and leaving school at 9:15am and expect to return by 2:30pm.

School jumpers should be worn with casual clothing, and please bring suitable clothing for the river walk, e.g. wellies or sturdy shoes, layers of clothing and waterproofs.

Yours sincerely
Year 6 Team
