

Little Canada

8th – 10th May 2019

The handy
little book of
everything!

What you need to know...

Dear Parents/Guardians,

The time is almost here! I know that the staff who are going to Little Canada are all really excited so we can only imagine how the children are feeling!

Here are just a few things that we thought might be useful for you to know...

Wednesday 8th May 2019

Drop off time

We would like the children to arrive at school at the normal time of 8:45 as their trip experience will start right away with a variety of team building activities. The children will leave their labelled luggage in the hall which will then be loaded on to the coach.

Medication and Dietary Requirements

If your child requires medication for the trip, please bring it clearly labelled with your child's name and direction of use and speak to Ms McCue and Mrs Clarke on the Wednesday morning. Although all information for your child has been sent off and received by PGL, please advise us of any further conditions i.e. wasp/bee sting allergies that haven't been added to the forms.

Packed lunches and water bottles

Children will need to bring their own packed lunch to school on Wednesday in a disposable plastic bag as lunch is not provided on arrival. We would ask that this lunch does not include fizzy drinks. We do recommended that children bring a re-fillable drinks bottle that they can use throughout the trip.

Non-Uniform

Upon arrival at Little Canada we will be getting straight into the activities so would ask that children come to school on Wednesday in non-uniform so they are ready for action!

Travel Sickness

Our journey to Little Canada will involve both a coach and a ferry crossing. If your child suffers from travel sickness please ensure they have been provided with or taken tablets before the journey. Please make sure you provide us with any tablets/medicine for the journey back.

Electronics and Pocket Money

Mobile Phones

It will not be necessary for your child to have their mobile phones whilst on the trip, so we would please ask to leave them at home. If found they will be confiscated for the entirety of the trip. If there are any concerns at any point, parents may contact the school and the teachers on the trip will be informed. Likewise if the teachers have any concerns about the children, the parents will be phoned directly.

MP3 Players/Gaming

Please ensure that these accessories remain at home as these will not be allowed – the children will be thoroughly entertained throughout the trip via other means.

Cameras

We understand that the children may wish to record their journey through the trip and so we will allow disposable cameras that are clearly labelled with their names. However it must be emphasised that the children will be entirely responsible for these items.

Sweets and Money

There is an onsite shop which sells a range of souvenirs for the children to remember their trip by. We are allowing children to bring some spending money up to a maximum of £5, again they will be solely responsible for this. We would encourage the children to spend the money on things to remember the trip by and not sweets. That is not to say that they can't bring a sensible amount of sweets from home for their trip.

Friday 10th May 2019

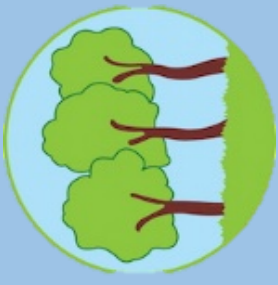

Homecoming

The children will be departing from Little Canada during the afternoon and should arrive back to school at 4:30pm.

The school website/parent mail will be updated on a regular basis in relation to the children's progress on their journey home.

If there are any questions or further concerns please speak to Ms McCue, Ms Southernwood or Mr Cave.
