

The Amusement Park

This chart shows the number of visitors that an amusement park had over the course of a year.

1. In which month did the amusement park receive the most visitors?
2. How many visitors came to the park that month?
3. Why do you think so many visitors came during that month?
4. How many visitors, in total, came to the park during September, October and November?
5. Describe the pattern you see in the number of visitors from April to November.
6. Why does December not follow the pattern you've observed? Can you think of a reason?
7. What might explain the number of visitors to the park during February and March?
