

Mountain Life

Life in the mountains
is not great because ...

I love life in the
mountains because

Would you like to live in the mountains?

How would living in the mountains be different from your current life?

Would your life be better or worse if you lived in the mountains?

Your tasks:

Think of what it would be like to live in a mountain area. There are different points of view. Some people would love mountain life, whereas others would find it less fulfilling. List the different points of view that you people living in a mountain area would say. Group your statements into two groups, those in favour and those against.

Mountain life
is great!!

The air is clean
and healthy.

The mountains
are beautiful.

Mountain life,
not so good.

The weather
is often cold.

There are few job
opportunities.
