

I am learning how to identify
and complete sequences

Can you identify the pattern
between each number?

10, 20, 30, 40, _____, _____, _____

What would the next number be?

Can you identify the pattern
between each number?

100, 200, 300, _____, _____

What would the next number be?

I am learning how to identify
and complete sequences

Can you identify the pattern
between each number?

4, 8, 12, 16, _____, _____, _____

What would the next number be?

Can you identify the pattern
between each number?

12, 15, 18, 21, _____, _____, _____

What would the next number be?

I am learning how to identify
and complete sequences

Can you identify the pattern
between each number?

32, 42, 52, 62, _____, _____, _____

What would the next number be?

Can you identify the pattern
between each number?

137, 237, 337, _____, _____, _____

What would the next number be?

I am learning how to identify
and complete sequences

Can you identify the pattern
between each number?

11, 18, 25, 32, _____, _____, _____

What would the next number be?

Can you identify the pattern
between each number?

66, 76, 86, 96, _____, _____

What would the next number be?
