

YELLOW BUMBLE BEE

The leaves are green
Because they're coloured by the sun
And the flowers, so many colours
Each and everyone

All I wanna be is a yellow bumble bee
Buzz buzz buzz in the bumble tree
Yellow bumble bee
Yellow bumble bee
Buzz buzz buzz buzzing along

The sky is blue
I want to fly round, like you do
To the flowers, so many colours
Rainbow drops of dew

All I wanna be is a yellow bumble bee
Buzz buzz buzz in the bumble tree
Yellow bumble bee
Yellow bumble bee
Buzz buzz buzz buzzing along

Buzz buzz buzzing along

All I wanna be is a yellow bumble bee

Buzz buzz buzz in the bumble tree
