

# Half term Homework Project! Worth 6 dojo points!

This half term the children have been learning about seasonal fruits and vegetables in their DT lessons. This was then building up to when we would be following soup recipes and creating our very own soup recipes using seasonal vegetables.

Unfortunately, due to the current circumstances, we are unable to cook together in the cookery room.

Instead of completely missing out on this opportunity, we would like the children to create their own seasonal soups at home, if they are able to. If they do, please ensure you send a picture to their class teacher via Class Dojo.

Happy cooking!
