

## Using multiplication to solve word problems

**What is multiplication?**

16.11.17

I am learning to solve multiplication word problems

**1. I am making school skipping ropes, which are 2 meters long. I need to make 35 ropes. How much rope do I need to buy?**

$$\begin{array}{r} 1. \quad \text{T U} \\ \quad 35 \\ \times \quad 2 \\ \hline \quad 70 \\ \hline 70 \end{array}$$
