

The **trend graph** shows the number of swimmers at Parkvale Pool at 9 am each day for two weeks.

- On which day and in which week was the number of swimmers
  - greatest
  - smallest
  - eleven
  - eighteen?
- How many swimmers were there on
  - Thursday last week
  - Friday this week?
- Write about the **trend** shown by the graph.
- This table shows the number of swimmers who bought a ticket during each one hour session on Monday this week.

Time of session	09.00 -10.00	10.00 -11.00	11.00 -12.00	12.00 -13.00	13.00 -14.00	14.00 -15.00	15.00 -16.00	16.00 -17.00
Number of swimmers	15	18	16	38	35	21	9	23

- Draw a trend graph using the data.
- Write about the trend shown by the graph.
