

ENGLISH Learn at Home packs: Year 4, Week 1

The 'timetable' for this week's teaching and learning is as follows

- **Day 1** – If possible, chat to children about the David Attenborough video, discussing the questions provided. Children make notes to sequence the events in the film, and then use a storyboard to plan a story about a narrow escape.
- **Day 2** – Using the PowerPoint presentation. If children can access this in PowerPoint, they will hear the voice-over teaching. Children then practise finding adverbials, and write sentences including these.
- **Day 3** – Children are now writing a recount from a different perspective – that of the prey. They study the features of a personal recount and include these features in their story. They should also include adverbials and some ideas are provided to stimulate them.
- **Day 4** – Using the PowerPoint presentation on Noun Phrases. If children can access this in PowerPoint, they will hear the voice-over teaching. Children then identify noun phrases and use these in writing their own version of a poem.
- **Day 5** – Using the PowerPoint presentation on Prepositional Phrases. If children can access this in PowerPoint, they will hear the voice-over teaching. Children then identify prepositions and identify noun phrases which include these. They read another poem and use noun phrases in their own version.
