

## ENGLISH Learn at Home Packs: Year 6, Week 6

### The 'timetable' for this week's teaching and learning is as follows

- **Day 1** – Using the PowerPoint presentation on adverbs of possibility. If children can access this PowerPoint, they will hear the voice-over teaching. Children read a poem and watch it performed. They revise adverbs of possibility and use them to write about their own lives.
- **Day 2** – Children read a newspaper article and answer questions. They summarise the content of other newspaper articles and then write reflectively about inspiration during lockdown.
- **Day 3** – Using the PowerPoint presentation on relative clauses. If children can access this PowerPoint, they will hear the voice-over teaching. Children answer questions about a Banksy picture. They revise relative clauses and write sentences with these about street art.
- **Day 4** – Children write about a set of images. They then see how these are used in the poem, 'The Great Realisation'. They answer reflective questions about the poem.
- **Day 5** – Children explore the images and ideas in 'The Great Realisation'. They think about their own hopes for the future of the world and plan and write a persuasive letter about these to their MP.
