

The first man stepped out – It was Neil Armstrong.

The next man stepped out – it was Buzz Aldrin.

There were 3 astronauts on board: Neil Armstrong, Buzz Aldrin and Michael Collins.

The Spaceship travelled in space for 3 days before reaching the Moon.

The astronauts couldn't find somewhere safe to land and did so with only 60 seconds of fuel left.

Neil Armstrong placed an American Flag on the Moon's surface.

Apollo 11 splashed down safely in the Pacific Ocean.

They spent almost 3 hours exploring the Moon's surface and were landed for a total of 22 hours.

Apollo 11 launched on 20th July 1969 from Florida in the USA.

They took photographs on the moon and collected samples of rock and dust for scientists back home.
