P.E. & PHSCE	<ul style="list-style-type: none"> OAA - orienteering. Indoor athletics - jumping and throwing. Re-Cycling . Thinking about families and friends.

Oh my goodness. I can't believe we have completed a whole term. What a fabulous group of children who have made such a positive impact on The Orchards already, excelling in their work in particular their reading. Well done all of you for embracing our Accelerated Reading, this will support all other subjects.

Once again we find ourselves in Lockdown. We are all staying positive and communicating with class teachers via DoJo which is crucial as we want to maintain contact with the children in our class and support them and you throughout this time.

Our On-Line learning and Resource Packs match where possible what we are covering in school, please contact your class teacher if you have queries about this.

Looking forward, we will clearly plan in our Discovery Days and Theatre workshops once we are back to some normality and clearly have ample opportunities to dress up and once again learn together.

Keep smiling and take time to learn new skills where possible and support each other through this.

Thank you for all your support and the positive feedback.
 Stay safe.
 Mrs H

Let us know what you think: Is there an aspect of our topics that your child is particularly interested in? What would they really like to find out/explore/investigate? Are they already an expert/skilled in any of these areas?

Child's name: _____ Class: _____

Comments: _____

Please complete, detach and return to the school.
