

Lesson 1

What is a coast?

Your aim is to understand what a coast is and how coastlines differ. To challenge yourselves you could look into what coasts are used for.

These are your resources.

A PowerPoint. Look through and answer the questions about the pictures you see.

A starter sheet to help you with your mind map.

An example mind map of what your work should look like.

Coasts key word bank.

A blank mind map sheet to fill in.
