

THE TITANIC

IDEAS FOR HOME LEARNING.

- Research the history of the Titanic –when and where it was built; what was so special about it; what it was like inside; the different classes of passengers who travelled on it and the facilities for them; when it sank, what happened etc.

- <https://www.nmni.com/resource-library/pdf/Titanic-website-PDFs/6-Titanic-On-Board.pdf>

PRODUCE A DOUBLE PAGE INFORMATION PAGE ABOUT IT.

- Find out how an iceberg is formed. Write an explanation, use diagrams (labelled drawings) to aid your writing.
- Make a model or paint a picture of the Titanic.
- Find out about some of the people who travelled on the Titanic and what happened to them.

<http://www.biography.com/people/groups/titanic-passengers>.

- Consider who was to blame for the disaster. Write a persuasive argument about who you think was most to blame and why. Or a balanced argument considering all opinions.
