

What to do today

IMPORTANT Parent or Carer – Read this page with your child and check that you are happy with what they have to do and any weblinks or use of internet.

1. Read a school report

- Read *Bogdan's Report*.
- Bogdan has a secret life that his teachers don't know about. Can you work out what it is? (The answer is on the very last page of the pack).
- Highlight all the parts of the report that are about Bogdan's secret life.

2. Make up a report

- Pick one of the *Secret Life Characters*.
- Make notes about all the things that go with their secret life and how these might show in school.
- Write a *School Report* for the character that you have chosen.
- Show your report to someone else. Can they guess the character's secret life?

3. Read a poem

- Read *Targets* by Brian Moses.
- What four targets does the child set themselves?
- Imagine you could set yourself any target at all. What would they be?
Write down your *Four Targets*.

Bogdan's Report

Bogdan has a secret life. What is it?

Maths	<p>Bogdan loves adding but always wants to give his answers in metres. When he draws graphs, he makes the line go up and up and up some more. His favourite shapes are triangles.</p>
English	<p>Bogdan has a very good vocabulary and knows lots of words for snow and ice. He writes very realistic adventure stories but he always sets these in the same place. His handwriting is often shaky as though he is trembling with cold!</p>
Other Subjects	<p>Bogdan loves art. His favourite colour is white. I wish he would use other colours sometimes.</p> <p>He is good at PE but is often slowed down by the heavy boots and thick gloves that he always wears.</p> <p>He made a very good axe in DT.</p>
Behaviour	<p>Bogdan is quite friendly to other children but goes off on his own rather a lot.</p> <p>He got into trouble for climbing onto the roof of the school.</p> <p>We were disappointed with him when we found he had a penguin in his rucksack.</p>
Overall Comment	<p>It has been a pleasure to teach Bogdan this year but overall the year has been a bit up and down for Bogdan.</p> <p>We hope he reaches his peak next year.</p>

Targets

My teacher says my targets are:

To write more neatly,
to spell more words correctly,
to get more sums right,
to chatter less
and to behave myself.

But the targets I set myself
are far more interesting:

To climb a tree to the top,
to stop time before my spelling test,
to think up a disappearing spell
and try it out on my teacher,
to leap from up high
and to defy gravity.

These are my targets,
the ones I'm aiming to complete
before next week . . .
