

Acrostic poem

Write your name or the name of a pet vertically down the page. Write a poem about yourself which includes: all the things you like, things you have done and all your amazing qualities or a poem all about your pet. Each line starts with the letter of the name.

E.g.

Lennie purrs and rubs against my legs

Every morning he paws my face to wake me

Nibbling on treats he meows with pleasure

Never lets me down when I need a cuddle

Inventive, he finds new places to sleep

Energetic, adorable, friendly demanding...my cat.
