Year 4 Curriculum outline – Summer 2021

Miss McCue says...

Wow- I can't believe we are already in the final term of this academic year! It has been such a pleasure to see how much the children have achieved since September, despite it being such a disruptive year for us all! I am so proud of all the children in our year group as they are working harder than ever!

We have lots of exciting topics to cover this term and fingers crossed, we can finish with a super trip to the zoo. Please keep your eyes peeled for more information about that soon!

Don't forget to keep sending in your fantastic homework via Dojo to your teachers and keep doing lots of amazing reading to be in with a chance of winnind the Reading Raffle!

It has been a real pleasure working alongside such a great bunch of children and supportive families, and I would like to take the chance to thank all of the fantastic children in the year goup for working so hard, and making school such fun!

Let us know what you think: Is there an aspect of our topics that your child is particularly interested in? What would they really like to find out/explore/investigate? Are they already an expert/skilled in any of these areas?
