**Mr Burnham says ...**

What a pleasure it has been to have all of the children back! The children have thrown themselves into lessons, eager to catch up on any missed learning and producing work of an exceptional standard as a result! All of Year 5 have done really well to settle back into upper school life, demonstrating the appropriate attitude towards learning and choosing to do the right thing during the school day on the playground and in the classroom.

It has been wonderful to see so many children attending clubs this term, over 700 places signed up for across the school says it all! To top it off, we can proudly add that all of Year 5 will have taken part in our swimming programme at the Arundel Lido by the end of this term. All of the careful planning was worth it to see their smiles as they swam in that heated pool!

The pace will show no sign of slowing as we prepare for the end of the year and move to a more 'normal' way of life again. With plenty to look forward to, we know that the children will certainly be able to say they made the most out of a very challenging year!

**Let us know what you think:** Is there an aspect of our topics that your child is particularly interested in? What would they really like to find out/explore/investigate? Are they already an expert/skilled in any of these areas? Do you have a skill/expertise we could use?

Child's name: \_\_\_\_\_ Class: \_\_\_\_\_

Comments:

Please complete, detach and return to the school.
