

# MasterChef 2021 at Orchards Junior

Hi all,

Orchards MasterChef 2021.... It's back!

This competition is a chance to show off your skills, in order to be crowned our very own MasterChef.

There will be five different rounds for you to compete in and at each stage some children will be selected to move forward in the competition by demonstrating different skills.

Round One entries can be prepared at home, after that the heats will be held in school using the Food Technology Room and will involve you bringing in your own recipes and ingredients.

To enter, you need to loosely follow the basic sponge recipe provided. However to make your cake stand out, you can add up to two of your own ingredients. Be imaginative but make sure it is tasty! **AS WE HAVE BOTH CHILDREN AND STAFF WITH SEVERE NUT ALLERGIES IT IS IMPORTANT THAT THESE ARE NOT INCLUDED IN ANY OF YOUR INGREDIENTS.**

You can present your competition entry however you wish.... as a whole sponge cake or as a collection of cupcakes (maximum of 4). You need to give your cake/cakes a name and also include your name, class and year group. Although we would be pleased for you to get help and support at home, future rounds involve you cooking independently at school, so you really have to be able to prepare your entry yourself ..... No cheating with Grandma or Uncle Bob doing all the work!!

The year's theme is "Hobbies" decorate your cake or cupcakes to show off something you enjoy doing, a club you belong to or a skill you're proud of.

Your MasterChef entry needs to be in on the morning of **WEDNESDAY 17th NOVEMBER.** Please don't bring them in before this. They will be kept securely and displayed in the Food Technology Room where judging will take place in the afternoon. You can then collect your sponge (or what's left of it after tasting!) at the end of the day and find out our Round One results.

Those competitors chosen to proceed in the competition will find a rosette next to their cake when they collect it.

Good luck, we can't wait to see what you create.
