

Little Canada

4th May – Friday 6th 2022

The handy
little book of
everything!

What you need to know...

Dear Parents/Guardians,

The time is almost here! We know that the staff who are going to Little Canada are all really excited so we can only imagine how the children are feeling!

Here are just a few things that we thought might be useful for you to know...

Wednesday 4th May 2022

Drop off time

We would like the children to arrive at school at the normal time of 8:45. The children will leave their **labelled luggage** in the hall which will then be loaded on to the coach.

Medication and Dietary Requirements

If your child requires medication for the trip, please bring it clearly labelled with your child's name and direction of use and speak to Mr Christie and Mrs Clarke on the Wednesday morning. Although all information for your child has been sent off and received by PGL, please advise us of any further conditions i.e. wasp/bee sting allergies that haven't been added to the forms.

Packed lunches and water bottles

Children will need to bring their own packed lunch to school on Wednesday in a disposable bag as lunch is not provided on arrival. We would ask that this lunch does not include fizzy drinks. If your child is entitled to a free school meal, their packed lunch will be provided. We do recommend that children bring a re-fillable drinks bottle that they can use throughout the trip.

Non-Uniform

Upon arrival at Little Canada we will be getting straight into the activities so would ask that children come to school on Wednesday in **comfortable clothing** so they are ready for

Travel Sickness

Our journey to Little Canada will involve both a coach and a ferry crossing. If your child suffers from travel sickness, please ensure they have taken tablets before the journey. Please make sure you provide us with any tablets/medicine for the journey back.

Electronics and Pocket Money

Mobile Phones

It will **not** be necessary for your child to have their mobile phones whilst on the trip, so we would please ask to leave them at home. If found they will be confiscated for the entirety of the trip. If there are any concerns at any point, parents may contact the school and the teachers on the trip will be informed.

Electronics / Gaming

Please ensure that these accessories remain **at home** as these will not be allowed – the children will be thoroughly entertained throughout the trip via other means.

Sweets and Money

There is an onsite shop which sells a range of souvenirs for the children to remember their trip by. We are allowing children to bring some spending money up to a maximum of £5, again they will be solely responsible for this. We would encourage the children to spend the money on things to remember the trip by and not sweets. That is not to say that they can't bring a sensible amount of sweets from home for their trip.

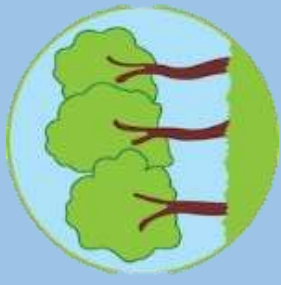

Friday 6th May 2022

Return journey

The children will be departing from Little Canada during the afternoon and should arrive back to school at around 4:30pm.

The school website/parent mail will be updated on a regular basis in relation to the children's progress on their journey home.

If there are any questions or further concerns please speak to Mr Hall or Mr Burnham.

What you need to know...

Kit List / Equipment

Essential Items

The follow items are ESSENTIAL and should be clearly labelled with your child's name. Other items are strongly recommended to ensure there are no issues during our visit at Little Canada.
