

YEAR 4 HOMEWORK

Each half term in year 4 you will be given a homework grid.

Each grid will relate to topics we are covering that half term.

1. Choose a homework that interests you. This should be **one** homework task each week.
2. Research/complete your chosen homework in your green homework book.
3. All you need to do (once it is complete) is snap a picture of your wonderful, finished piece of work and send it to your class teacher via Dojo. This can either be added to your portfolio or sent in a private message. Your teacher will then respond to your homework and give you the Dojo points attached to that task.

Please do not send your books into school as we want to avoid them getting lost – keep them at home so that you have them each week to do your work in.

Remember each homework task is worth a certain amount of Dojo points, so choose wisely and enjoy!

This year, as part of our mental wellbeing award, we are adding bonus homework tasks to this grid all around the 'Five Ways to Wellbeing.' If you see the icon below next to any homework and you complete that task you will receive 5 Dojos! In addition to this, if you get an adult in your household to complete the task as well as you there will be 5 bonus Dojo points for the task!
