# YEAR 5 Computing - Knowledge Organiser

## Focus: Comic Life

## Overview:

In Computing, we will be exploring cyber bullying and how to stay safe online. We will be using Comic Life to produce a powerful poster demonstrating how to deal with bullying and strategies to cope.

## Key Vocabulary:

Import
Capture
Layer
Rotate
e-Safety
Support
Select
Aspect
Flip
Margin
Caption

## What to expect in lessons:

**1** Explore different types of bullying, with focus on the importance of e-safety.

**2** Work in groups to produce freeze-frames which depict examples of bullying.

**3** Import images and use these in Comic Life, considering message and format of comic.

**4** Add various effects to images, using captions to add further detail.

**5** To critically evaluate your design, adding improvements if needed.

**6** To celebrate designs and offer constructive criticism to peers.

## Key Skills:

**I Can...**

Stay safe online ☐

Capture images of bullying ☐

Adapt the layout of work ☐

Add effects to images ☐

Use powerful language ☐

## Previous skills you can draw upon to help in this topic…

Knowledge of Microsoft Word to help with layout and adding images.

Accessing information from search engines.

Knowledge of the Orchards server to save and retrieve files.

## Share top tips
