

Disneyland Paris

20th - 22nd May 2024

Dear Parent/Carer

This is the final letter regarding the trip to Disneyland, Paris. It gives all the relevant information you should need.

- Leave school at 7a.m. on Monday 20th May.
- Children will need to arrive at school, with their luggage, medication and money, 06:15 - 06:30h. They **do not** need to bring lunch as we will be having this on the ferry but can bring a snack if they wish. **Please provide a reusable water bottle.**
- Medication should be in a named bag with dosage clearly written. This will be collected in by Mrs McCarthy & Mrs Hall. Travel sickness tablets should be given in the morning.
- Money should be in a named purse/wallet which will be collected and looked after by group leaders.
- We have not set a limit on spending money but recommend 60euro (approx £50). **You will need to buy euros as we have no facility to exchange pounds.**
- Children can bring hand held games (with no internet access) but at their own risk.
- The children will have to look after these AT ALL TIMES; we will not carry them.
- Coaches are fitted with DVD players so there is no need to bring these.
- ABSOLUTELY NO mobile phones. We will confiscate any that are found!
- Regular updates will be posted on the school website <http://www.orchardsjunior.school> and on Instagram <https://www.instagram.com/activeorchards/>
- Wednesday 22nd - Aim to return to school at 22:00h.
- **Please ensure that any outstanding passports and Global Health cards (GHIC) are handed onto school immediately as we have to complete passenger forms for the ferry.**
- If you have any further queries please contact Mrs McCarthy fmccarthy@orchardsjunior.school
